

# PRESSURE WASHER

Petrol-powered, high pressured washers are a great item to have in any shed or garage. Affordable, easy to use and handle, they make light work of most home tasks including the 6 below!

A Power washer can help you:

- Clean your driveway (both paved and concrete).
- Clean Colorbond fencing (especially light colours like those in Classic Cream).
- Cleaning and Clearing Gutters.
- Cleaning Your Rubbish Bins.
- Cleaning outdoor furniture.
- Cleaning your windows.
